

KranHaus

FASCINATING INSIGHTS INTO THE WORLD OF CRANES

ABUS
CRANE SYSTEMS

On 3 levels, different crane systems are waiting to be tested at length by visitors like you.

Take part in a guided tour through the KranHaus

Are you a professional crane operator? Extend your specialist know-how during tailor-made training sessions

Transport loads single-handedly with a powerful overhead travelling crane, experience the ease of our crane systems yourself, ride on a 8-metre-high crane – the KranHaus at our company headquarters in Gummersbach offers an overview of current crane technology as well as an exciting insight into real-life working situations in a building that has 1,600 m² of space. In the crane workshop above the crane building, service technicians,

installation engineers, service engineers and crane operators are trained. Seminars on the themes of crane maintenance, repair and servicing take place in the modern training rooms that are equipped with special technology.

You are also warmly welcome to get to know the KranHaus yourself, and to optimise your particular material handling application requirements with us.

A visit to the KranHaus could have the following agenda:

- 9:30 - 10:00 Welcome and coffee
- 10:00 - 11:30 Experience crane technology in the KranHaus
- 11:30 - 12:30 Factory tour: double girder overhead travelling cranes
- 12:30 - 13:30 Lunch
- 13:30 - 15:00 Option - Planning a HB crane installation
Option - Insight into the intelligent crane control ABUControl
Option - Crane system servicing explained
- 15:00 - 15:30 Coffee and closing remarks

We will be happy to plan a visit to the KranHaus tailored to your individual needs. Please contact your representative or our central office directly.
